BARRIER NETS,FENCE NETS,PROTECTIVE NETS,BACKSTOP NETS

Art No.	FN345(01-04)
Material	high tenacity polypropylene, knotless
Cord Diameter	3mm
Mesh	45mm
Color	White/Green /Black
Size	customerized made
Edge reinforced	Netting only/rope lockstiched/ band or vinyl
Customs tariff number	9506 99 90, 56081930
Continuous operating temperature	-40 to +80 °C
Melting point	165 °C
Bending strength & abrasion resistance	good
Weather-Resistance	good
UV-Resistance	300 kly
Tensile strength after two years of climatic	90%
Regular Inspection Interval	12 months
